

# Migrate to the cloud with precision, speed and confidence. Now.

## Our Results:

**100,000**

Workloads migrated to the AWS cloud.

**20-40%**

Reduction in total cost of ownership with reduced Opex and Capex.

**10x**

Increase in staff productivity.

**5x**

Faster business response times.

**99%**

Service reliability with AWS.

## Our Experience:

**1000+**

Completed Projects together

**13+**

Years Partnership

**600**

Managed Services Clients

**20+**

AWS Awarded Competencies & Service Delivery Designations

**40** accelerators and

solutions across **16+** industries

## Our People:

**20,000+** people trained on AWS Cloud

**10,000+** people certified for AWS cloud

## Our Accelerators:

**myNav®**

Migration discovery and decision-making tool for migrations.

**Accelerate for Cloud - A4C**

Accenture's state of the art migration factory automates up to 50% of common tasks and has been able to migrate up to 1,200+ workloads/month.

**myWizard®**

Accenture's cloud optimization and automation engine for Accenture's Cloud operations activities.

**Data Lake Accelerator for AWS**

Accenture accelerators for large data migrations provide up to 30% faster data transfer of large data sets to the AWS Cloud.

**Secure Cloud Foundation for AWS**

Provides a flexible Security Model for AWS with 90% of Secure Cloud Foundational resources defined in templates.

# Our Migration Competencies and Capabilities

	Data Center Migration and Portfolio Rationalization and Migrations		Mainframe Modernizations
	Industry Solution and ISV Migrations		Data & Analytics Migrations
	Internet of Things (IoT) Migrations to AWS		OutPosts Hybrid Migrations
	SAP Migrations		vmWare Migrations
	Customer Contact Center Migration to AWS		Oracle and Microsoft Workloads

## Industries We Serve

- Aerospace & Defense
- Automotive
- Banking
- Capital Markets
- Communications & Media
- Consumer Goods & Services
