

# ACCENTURE - SEMICONDUCTOR

## VIDEO TRANSCRIPT

- 00:02 - 00:04** Semiconductor companies  
**00:04 - 00:07** Are changing the way the world works...  
And plays  
**00:07 - 00:12** Accenture is helping lead the way. Change  
is our business. And we can make it yours.  
**00:13 - 00:15** What keeps a semiconductor CEO up at  
night?  
**00:16 - 00:19** The challenge, and promise...of new  
markets  
**00:19 - 00:27** Moving R&D beyond its limits...  
Building supply chain resiliency...  
Working across the ecosystem...  
**00:27 - 00:31** Mergers . . .  
Acquisitions . . .  
New competitors . .  
Geopolitical shifts...  
**00:31 - 00:35** Accenture can help. We're here to  
alleviate your fears.  
**00:35 - 00:38** We know your industry Then and Now.  
**00:38 - 00:49** We work with companies across the  
semiconductor ecosystem of Integrated  
Design Manufacturers, IP designers,  
fabless, foundries and equipment  
manufacturers.  
**00:49 - 00:53** We are helping the world's  
semiconductor giants . . . Embrace the  
cloud.  
**00:53 - 00:55** Merge with wisdom.  
**00:55 - 00:58** Leverage analytics for planning and  
execution.  
**00:58 - 01:01** Help design the next generation of chips.  
**01:02 - 01:05** Build a scalable and flexible supply chain.  
**01:05 - 01:07** Let there be change.  
**01:07 - 01:10** With Accenture. A trusted partner.  
**01:10 - 01:11** We're here to help.
