DATA ON CLOUD SOLUTION
VIDEO TRANSCRIPT

00:00
what makes a master is it our inherent
00:05
curiosity our relentless desire for
00:08
challenge our drive to constantly keep
00:11
learning or is it a boundless vision
00:15
that lets us see beyond beyond started
00:19
beyond just a solution to a problem its
00:23
altering words to connecting every
00:26
moving piece of agility and flexibility
00:28
to navigating the unknown now everything
00:33
is at our fingertips and anything is
00:37
possible that's why I am a master data
00:41
architect I can see data models for
00:44
transforming industry I can see
00:47
connected data in knowledge graphs and
00:50
trace data lineage to ensure trustworthy
00:52
data I can accelerate some skeleton
00:56
insights to move people and business
00:58
forward I analyze big data sets and
01:02
bring them to life
01:03
I find carob seed help save millions and

01:06
save lives I can see the light see
01:11
yourself as a master data architect and
01:14
show the world what you can do with data
