

# ACCENTURE'S MUREX CAPABILITY

## VIDEO TRANSCRIPT

Accenture and Murex have proudly been working together for 20 years. Accenture is the only Murex global alliance partner.

Showing there's strength in numbers, by combining forces, we have over 900 SMEs across the globe and have delivered over 100 impressive Murex projects, including many of the largest Murex transformation projects in the world.

With 12 global hubs for capital markets platforms and 4 near and offshore centers for a robust 24-hour delivery model, you can be confident you're in experienced hands as we operate the largest Murex partner development center.

We promise fast, future-ready solutions including system transformation, DevOps enablers, cloud, continuous testing, upgrades, managed services and many more.

We ensure our integrated management tools and accelerators are always working to bolster success for our clients - environment management portal, development, testing tools and services, monitoring tools and services.

These unique, commercial grade tools have been developed to conquer Murex challenges and maximize investment returns to deliver non-stop because the markets never stop. We don't either.
