

# MYCONCERTO – THE INTELLIGENT TRANSFORMATION PLATFORM

## VIDEO TRANSCRIPT

myConcerto

The Intelligent Transformation Platform

Now you can manage your technology-enabled transformation with a single platform, accelerating your path to value from business case to roadmap, delivery and operationalizing your workforce

My Concerto gives you the power to embrace change

Establish a culture of continuous innovation

And adapt to uncertainty

It puts the full breadth of Accenture's thinking and experience at your fingertips

Learn from transformations within your industry and beyond

Use our wealth of knowledge to shape a roadmap for your vision

and have it delivered seamlessly

Empower your workforce to work smarter, not harder, by helping them

push boundaries

expand potential

and grow faster

myConcerto combines human + machine learning to drive faster better outcomes

Wherever you are on your journey, myConcerto can help you find the right path for your business

myConcerto From vision to value, faster
