

# REIMAGINING THE ENERGY CONSUMER EXPERIENCE

## VIDEO TRANSCRIPT

In a world where constant disruption has become the new normal, giving way to new forms of innovation and new routes to consumers. It's all about interconnectedness, whether between devices, people, technologies and providers. All of this is creating a bridge, that will bring you closer to your customers.

Welcome to the future energy consumer experience.

Reimagining your world.  
Reimagining your future.  
Reimagining your business.  
Reimagining the consumer energy experience.
