

FORTUNE 500

VIDEO TRANSCRIPT

REINVENTED WITH ACCENTURE

But Fortune we have an announcement to make about a new product we're developing. Fortune 500 - reinvented with Accenture.

In this world of misinformation and lack of trust, integrity is everything. This critical property, which is the Fortune 500. AI can transform this and tell a story. The future of news gathering speaks a common language. We start with what good looks like and then how can AI get there faster? It's contagious.

Fortune 500 – reinvented with Accenture. Find out more: [Fortune.com/analytics](https://fortune.com/analytics).
