

# ACCENTURE MOMENTUM

## VIDEO TRANSCRIPT

It's all too easy for business transformations to go off-track.

To never achieve the outcomes you need,  
to never reach their end destination.

Dashboards promise to give you direction,  
With data.

Reports.

Stats.

Graphs.

But numbers alone can only take you so far.

**What if you could connect them to a broader vision?**

What if you could use numbers to drive...

Inspiration.

Clarity.

Focus.

Energy.

Decisions.

Teamwork.

Well, now you really can.

By linking your vision to real outcomes, the Accenture Momentum platform turns the intangible into the tangible.

It enables transformations to stay on track,  
to progress,

develop,

succeed.

Numbers are only ever part of the story.
