

# AWS RE:INVENT 2022

## VIDEO TRANSCRIPT

AWS and Accenture, a relationship built for speed

Supercharged for today

Powering a cloud-driven auto insurer to drive towards a world without accidents

Streamlining an airline call center to send customer and employee satisfaction soaring

Speeding the use of AI and Machine Learning to help overcome the global water shortage.

Accenture is the leader in all things AWS

With our new Velocity platform, we're taking things further faster

injecting lightning into all things cloud.

Full speed ahead

Accenture

Let there be change.
