

Workday Rising US 2022

Video Transcript

Question: What are you experiencing at Workday Rising US?

Ed Miller

Managing Director, Growth and Strategy Lead

I mean, so many new exciting things that Workday is offering. The most exciting thing to me, personally, is Workday continuing to invest in their skills capabilities, leveraging their ecosystem to bring in external data insights into Workday to help clients understand the skills they have, the skills they need, and how to better close the gaps.
