

The Latinx solution to supply-chain challenges

VIDEO TRANSCRIPT

**Nellie Borrero,
Managing Director, Accenture**

I am very excited about L'ATTITUDE in the fall and I'm very excited about a topic that's really important and critical to the continued success of businesses across the world, and that is supply chain. And as we think about supply chain, you know, I've heard you say many times that the Latin community is one of those pieces of the puzzle that can solve for some of the supply chain challenges and issues that we have.
